#### TERMS AND CONDITIONS

1. Overtime rates shall apply over (8) eight hours. Rates are based on ICS standard wages. ICS must be notified in advance if the project has any specific wages or reporting requirements and a job specific proposal can be provided for the project.
2. Cranes are subject to availability. No warranty is made as to the capacity, capability or specific application unless specifically provided in writing by ICS.
3. Suitable access roads and work areas that comply with OSHA standards shall be provided by others. All access roads and work areas must be firm and level providing adequate support of the equipment.
4. Overhead and underground utilities, structures or objects are the responsibility of others. Any damage to utilities, structures, paving or landscaping is the responsibility of others.
5. Damage to equipment or rigging by others will be invoiced at cost.
6. ICS shall not be responsible for damage to any lift points or any damage as a result of the failure of any lift points.
7. All hoisting will be performed within the limits of the load charts and as determined to be safe by ICS crane operator.
8. ICS will not handle or transport any hazardous materials, equipment or containers.
9. ICS shall not be liable for any liquidated damages, consequential damages or any other charges.
10. Payment in full net 30 days from receipt of invoice with no retainage allowed.
11. Rates subject to change without notice.
